

Pfeffermind

JOB OPENING: FULLSTACK TEAM LEAD

PFEFFERMIND NEEDS YOU

Who we are

Pfeffermind GmbH is a young Berlin company for gamification, serious games and escape game development. Being founded in 2013, Pfeffermind has since grown into a leading agency for tailor made gamification and serious games solutions. Being one of Germany's largest provider for escape games, we are constantly pushing this exciting entertainment format further for our private and commercial clients. In everything we do, we employ the most up-to-date technology we can find: in hardware, software, customer and internal projects alike.

Who you are

You are an experienced full stack developer with a passion for tinkering and high quality standards? You bring advanced to very good command in up-to-date Javascript frameworks (Node, React, React Native) or enthusiasm to learn them? You have a solid understanding of code base architecture and like to take responsibility for your projects? You are eager to keep searching for creative yet solid solutions for extraordinary challenges in a small and effective team?

Then you are just right here! We are looking for a **Full Stack Team Lead**.

Checklist YOU

- Fullstack web-developer (2+ year experience)
- Eager to lead and take responsibility for a small yet talented team
- Good understanding of software architecture
- Very good operative knowledge of HTML, CSS, Javascript (+frameworks)
 - Node, React, React Native are a great asset
- Backend experience in ruby (on rails)
- Experience or interest in mobile development is an asset.
- Excited about tinkering, diverse hardware requirements and creative solutions
- Interested in working on a variety of different projects
- An eye for usability
- Very good German and English

Checklist US

- Young, driven, international, multidisciplinary team
- Exciting company with growing diverse areas of operation
- Flexible working conditions in the heart of Berlin
- Always open for exciting ideas, foolishness and new challenges
- Team lunch, potluck, board game nights – and of course: Escape Games!

Sounds like this could be a match? Then we are looking forward for your application at jobs@pfeffermind.de!
